South Florida Hospital News & Healthcare Report, the region's only monthly healthcare newspaper, reports in-depth on the trends, issues and people that impact the region's healthcare community. We are dedicated to disseminating information related to improving patient care. We are an information exchange medium for healthcare professionals who are, equally, users of consumer-related products and services. Our controlled circulation is via direct mail to more than 32,000 healthcare professionals monthly.

Our current issue is available online at www.southfloridahospitalnews.com
