South Florida
Hospital News® and **HEALTHCARE
REPORT**

South Florida Hospital News, the region's only monthly healthcare newspaper, reports in-depth on the trends, issues and people that impact the region's healthcare community. We are dedicated to disseminating information related to improving patient care. We are an information exchange medium for healthcare professionals who are, equally, users of consumer-related products and services. Our controlled circulation is via direct mail to over 40,000 healthcare professional monthly.
