presented by

The Women's Edge is a 501(c)(3) organization with a mission to “advance all women as leaders”.

Join us for **Leadership Live**, at the iconic Miami Tower featuring a half-day with globally-recognized speakers who share bold ideas and real-world strategies.

The event will emphasize transformational leadership in times of disruption with topics ranging from AI & digital integration, to building resilient boards, winning the race for top talent, and 21st leadership.

Following the program, an exclusive group of VIP guests will join an intimate roundtable luncheon & discussion facilitated by Dr. Loubna Nouredin, author, “Determined to Change”.
