OUR CHARITABLE CAUSE

MDA Summer Camp is a magical place where anything is possible — from swimming to zip-lining and horseback riding to dancing under a disco ball and gaining valuable life skills. Each summer, thousands of kids attend life-changing, overnight camps around the United States — at no cost to their families, thanks to generous supporters like you.

When kids attend MDA Summer Camp, they gain independence as they spend time away from home and, more importantly, time away from their primary caregivers. They learn to accept personal care from someone other than their parents, form lifelong friendships, develop greater self-esteem and confidence, and get the chance to spend time with kids who understand what it's like to live with neuromuscular disease.

The charitable funds from this tournament will support programming and software that support these camps in addition to other life-changing services and support for MDA families.

Fishing for MD (Muscular Dystrophy) Foundation and the Muscular Dystrophy Association are strategically aligned to create charitable events to accomplish the following:

Increase Awareness for those living with neuromuscular diseases

Raise Funds to assist those affected with muscular dystrophy including, research, care, and other assistance programs

MDA Summer Camp is referenced as the **“best week of the year”** by thousands of kids affected with neuromuscular diseases.
