PRELIMINARY LISTING

Additional photos and detailed descriptions to follow

What do you get when you take one of the most iconic and successful powerboat designs of all time - the Hinckley Picnic Boat - and make it even better? The answer is the Picnic Boat EP which stands for "extended pilothouse". Benefits of the extended pilothouse include wonderful L-settee backing pedestal chairs for skipper and mate as well as a built-in area behind the settee that houses a sink and insulated cooler and additional aft-facing seating. PERMANENCE is a shining example of this class, with many custom and practical touches detailed in the listing. With pride of ownership evident everywhere one looks, the boat is a pleasure to show and inspect. Recent paint, electronics, exterior fabrics, canvas - including a custom cockpit awning with carbon fiber poles - are just some of the recent upgrades. And the full Hinckley service package every year including indoor heated storage and delivery to and from the yard- insure PERMANENCE is in tip top working order.
